Erhard Busek Schmiede Scholarship 2014 September 9th – 23rd Call for Applications

Salzburg, April 17nd 2014

Dear Students of Sarajevo's Academy of Fine Arts,

this year we are happy to offer a scholarship to participate in the well renowned Schmiede (www.schmiede.ca) with full coverage of costs for travelling, accommodation, participation and guidance (as presented in March at Sarajevo's Academy of Fine Arts) for one student of your faculty.

The Call for Applications is open until May 19th 2014.

To apply for the scholarship you just need to hand in a few (the three most intriguing) examples of your current (not older than two years) work and a brief (no more than two pages) outline of what project you plan to work on during your stay. On May 26th 2014 a selection of six applications will be reviewed by our staff in Salzburg to decide who will get the scholarship this year.

Please consider the title of this years Schmiede festival: »Self Assembling«
Find out more about Schmiede at www.schmiede.ca

We are looking forward to your applications and proposals.

Kind regards,

Thomas Grundnigg
